

Candidate Statement for LaMista Schultz, running for Show Low USD#10 Governing Board:

I am excited to be running for Show Low Unified School District Governing Board. I believe I would make an excellent addition to the team that impacts our community in so many important ways. I strongly value public education, and as the mother of 3 children with many years ahead of them in the Show Low School District, I have a particular vested interest in our district's success. I have a master's degree in Clinical Psychology and enjoy learning new things. I am confident in my ability to successfully meet the new challenges I would face as a member of the school board. I am highly involved in the community in many ways, including as serving in leadership roles in local groups benefiting children and families. I find great satisfaction in collaborating with other leaders to further our common goals. I am a passionate advocate for public schools and have worked hard as a volunteer for Save Our Schools Arizona and as a supporter of the Red for Ed movement. My first priority as a member of Show Low's school board will be the well-being and success of all children in our district. I will also value and respect teachers and staff—they help shape our children into the people they will become and deserve our support. Working together with other members of the board, I will strive to bring honesty, respect, compassion, and fairness to all my interactions and decisions. I humbly ask you to vote for me, LaMista Schultz, for Show Low Unified School District Governing Board.

A handwritten signature in blue ink, appearing to read "LaMista Schultz", followed by a stylized flourish.
